

**Exploration Group Trip to the AIT Residence**  
**Wednesday, April 11, 2018**

Winter is behind us and the warm spring is here, a perfect opportunity to get together for a gathering of women from WTIC and AIT. Before saying Farewell to Taiwan this summer, Kathy Chen, spouse of AIT Director Kim Moy would like to welcome WTIC members to her home to share a pot luck lunch with some of the AIT ladies. This is an opportunity to enjoy a delicious lunch together and share memories of the last few years in Taiwan.

If you would like to join Kathy and the Exploration Group for a Spring pot luck lunch, please avoid disappointment and RSVP to Olivia right away,. Spaces are limited to 35 participants.

We are hoping to have a variety of dishes to share, so please also let Olivia know what dish you will be bringing. The deadline sign up date will be on the 3rd of April. AIT ladies will provide desert and beverages, so please bring a savory treat. It isn't necessary to provide enough for the entire group, enough for 8 -10 is fine. There will be plenty to taste and enjoy. International dishes, representing your home country are always a treat.

Venue: AIT Chen-Moy Residence (at Dibao)  
53 Ren Ai Road, Section 3, Apt. C-12  
Da An District, Taipei

Time: 12:00 - 2:00

Dress will be casual, and we regret that guests cannot be accommodated on this activity.

Warm regards,  
Olivia, Carol and Alison
