

## Exploration Group Trip to the Investigation Bureau of the Ministry of Justice

March 21, 2018

“The Investigation bureau of the Ministry of Justice is a law enforcement agency in the Republic of China, and its primary missions are protecting national security and investigating major crimes”

Protecting National Security includes counter infiltration, counter-terrorism, internal security and research on Cross-strait relations. Major crimes include public corruption, fraud, money laundering, cyber crime and drug crime. These and more are the focus of the Investigation Bureau and will be the venue for our next Exploration Group trip.

Our trip will include a video presentation, a tour of the Bureau museum and a rare look at the laboratories where some crime investigations take place. The Bureau has offered us an opportunity to learn how major crime is investigated and prevented by the officers at the Bureau.

We will meet at the “Xindian District office” MRT station (Green Line) Exit 1 at 9:45, and will walk the short distance to the headquarters for our tour. Following our morning visit, the Bureau has offered us the opportunity to enjoy a lunch box lunch at their auditorium.

Please let Olivia know by Friday March 16th if you will be able to join us for this unique opportunity, and if you will be joining us for lunch.

There will be an NT\$200 charge for this tour, please have the exact change ready at the meeting point.

We look forward to an informative and enjoyable trip together.

In order to make sure we all save the date, please reserve April 11th for our potluck at the AIT residence. More details will be set later.

Warm regards,  
Olivia, Carol and Alison
