**土耳其美食饗宴**

Dear members,

After the long hot summer, it's the perfect timing for enjoying the exquisite Turkish cooking demo luncheon with your dear friends. Probably some of you have been to Turkey before, you all should still remember the unforgettable journey and their delicious foods. As you know, the country of Turkey occupies a unique geographical location, lying partly in Asia and partly in Europe, as a bridge between the two continents. Therefore, the Turkish cuisine is largely the heritage of Ottoman cuisine which can be described as a fusion and refinement of Central Asian, Middle Eastern, Eastern European and Balkan cuisines.

At scene, the famous Turkish chef will demonstrate his signature dishes for us. Moreover, the Turkish ice-cream man will give us a great performance at luncheon as well! Special thanks to Madam Michiho Baklaci without her thoughtful arrangements, we would never have this opportunity to experience the beauty of true Turkish cuisines !

We are sincerely welcome you and your guests to this very special and joyful event!
