

2019 Annual Registration Luncheon

Feb 14, 2019, at Regent Taipei Hotel

The most important meeting of WTIC in the beginning of 2019 is Chinese New Year Luncheon. More than 140 members signed up to this event, including the honorary members from the diplomatic corps. We gathered together not only to celebrate the Chinese New Year but also vote for the newly 2019 boards' members.

Vivienne Shen, president of WTIC, had successfully re-elected for her second term. Over the past year, WTIC has moved forward under her leadership and we have had prosperous activities all year round. Most members enjoyed the events which were passionately organized by each interest group chairpersons. On this special occasion, in order to match the Lunar New Year atmosphere, we decorated bright red lanterns along with the symbols of fortune; Gold Yuanbao and giant firecrackers to bring out the festive of Kung Hei Fat Choi.

The new boards of supervisors and directors had been elected, and the first board meeting was held right after the election. Angela Tan and Lily Yeh became new directors, they have devoted themselves to WTIC for decades, well deserving to this honor.

Thanks to all the supervisors and directors donating wonderful gifts, we were able to play Lucky Raffle, marking the highlight of the meeting. Those whoever hit the jackpot, should be the luckiest one for sure.

At such a wonderful moment, WTIC sends you a gentle and warm care and wish: May every day be brilliant for you!
