

Notice of Temporary Suspension of All Activities

May 15th, 2021

Dear Members,

Owing to the Central Epidemic Command Center's (CECC) announcement today to raise both Taipei and New Taipei City's COVID-19 epidemic warning to level 3, thus, as of today all of WTIC activities will be temporarily suspended. WTIC board of directors, executive committee members and chairpersons will continue to follow news on the CECC's announcements. We will resume WTIC routine activities when the imposed warning has been lifted. Meanwhile please continue to follow all the preventative measures and stay safe and healthy. Hope to see you soon.

Best regards,
Jeannie Tien
WTIC President

各位迎新會姊妹們大家好:
